

A SAMPLING OF SUMMER AND GAP YEAR OPPORTUNITIES

Looking for something to do between graduation and medical, dental, or graduate school? These are some of the many opportunities available ranging in length from summer to one to two years. Certain opportunities may be directly related to medicine or healthcare, while others may be a chance to explore another side of working with people, such as teaching or community organizing. You may consider fellowships, internships, research, volunteering, part-time employment, etc. Whether you are looking to improve your candidacy to medical or dental school, experience something new before entering your program, or join the workforce to gain some real-world experience, there is an opportunity out there for you!

This is only a sampling of the many opportunities available. If you wish to explore additional resources or learn more about what to do upon graduation before entering a graduate or professional program, consider scheduling an appointment with a Pre-Health Advisor in the Dornsife Office of Pre-Health Advisement. You may schedule an appointment by calling (213) 740-4844, or send an e-mail to prehealth@dornsife.usc.edu. You may also want to explore both the Pre-Health Website <http://dornsife.usc.edu/pre-health/>, and the .Hub, Dornsife College's central resource at www.dornsife.usc.edu/hub.

VOLUNTEER OPPORTUNITIES & INTERNSHIPS

American Cancer Society Internships (volunteer opportunities available with patient service programs)

The internship program at the American Cancer Society provides an opportunity for people to make a difference as they gain valuable hands-on experience in the non-profit sector and a greater understanding of the Society's mission.

<http://www.cancer.org/Involved/Volunteer/index?ssSourceSiteId=null>

American Public Health Association Internships (3 months- 1 year)

The American Public Health Association is the oldest, largest and most diverse organization of public health professionals in the world and has been working to improve public health since 1872. A variety of internships for undergrad and grad students are available.

<http://www.apha.org/about/careers/internships/>

AYUDA International Dental Clinics

As a private non-profit humanitarian dental, medical and educational organization, AYUDA's mission is to be actively engaged in improving and sustaining the oral health of people in underserved areas of the world. By providing assistance through treatment, training and education, AYUDA helps promote health education and social betterment

<http://thedentalinsider.com/ayuda.php>

Cedars-Sinai Med Volunteer Program

The Independent Student (IS) Volunteer Program is designed for collegiate-aged students who are seeking a specific role in either a clinical or research experience. For students seeking an experience in a specialized field of medicine, this program allows you an opportunity to contact a specific physician and/or researcher to secure a volunteer position in their area of interest. This program is open throughout the year and is co-managed by Academic Affairs.

Community Clinic Association of Los Angeles County

CCALAC serves and represents the interests of its free and community clinic Members. Our 47 Members operate over 140 sites in L.A. County. They provide quality primary care (including medical, dental and mental health services) for the uninsured and medically underserved populations.

<http://www.ccalac.org>

Cope Clinical Care Extender (CCE) Internship Program (Saint Francis Medical Center)

The Clinical Care Extender Internship features a clinically-focused experience that gives pre-health professionals unprecedented access to direct patient care. Clinical Care Extender Interns become valuable members of the patient care team alongside nurses, physicians and allied health professionals in clinical and administrative settings. Interns receive training to participate in basic patient care tasks such as bathing, changing and feeding patients as they rotate among the different departments within the hospital.

COPE

COPE Health Solutions is a leading health care corporation based in Los Angeles, California. We partner with hospitals, health systems and other health care providers to help them achieve visionary, market relevant health care solutions.

www.copehealthsolutions.org

Homelessness Prevention Project

For the last three years *CORP* has committed itself to our Homeless Prevention Project (HOPE) with both staff and volunteer time. Located in Seattle's International District our office is an ideal outreach center to Seattle's homeless population. While our main goal is outreach to families in crisis our Homeless Prevention Project takes a proactive role by preventing the crisis of homelessness for families and individuals.

<http://www.corprecovery.org/page/page/2379537.htm>

Latino Community Health and Cancer Control Intern (Summer)

The Lombardi Cancer Center at Georgetown University is offering a ten-week summer paid internship program for undergraduate and graduate students. This is an excellent opportunity for bilingual (English/Spanish) students to gain hands-on experience implementing cancer prevention research for the Latino community.

<http://www.publichealthjobs.net/search/detail.cfm?jobID=7743>

National Institute of Health (NIH)

Research and training opportunities including summer internship programs, summer research fellowship programs, post-baccalaureate research opportunities, and graduate education programs.

<http://www.nih.gov/science/>

Operation Smile

At Operation Smile, our volunteers make a difference in the lives of children every day. And by helping others, they impact their own lives as well. We hope you'll be moved to help us make a difference in the lives of children. And join our world of compassion.

The Center for Patient Partnerships

Do you know aspiring health professionals taking time off before pursuing professional school who are looking for a transformative experience? For recent graduates who would benefit from additional direct patient contact and learning about social determinants of health, the Certificate Program in Consumer Health Advocacy at the University of Wisconsin-Madison's interdisciplinary Center for Patient Partnerships might offer just the experience to round out their resume. Students learn about patients' experiences in the health care system by providing health advocacy. Now our 12-credit certificate is available online. More information available at: <http://bit.ly/MSIUzY> (PDF)

The Saban Free Clinic (is the Los Angeles Free Clinic)

The Saban Free Clinic, in collaboration with strategic partners, serves as a medical home for the underserved and those who are most vulnerable by providing comprehensive, dependable and affordable quality health care in a caring environment.

<http://www.thesabanfreeclinic.org/>

UCLA Venice Dental Center

The School of Dentistry is committed to providing care to underserved populations. Since 1969, it has provided oral health care to underserved populations through its Venice Dental Center and by partnering with other hospitals, clinics, and centers in Venice, West Hollywood, Northeast San Fernando Valley and in downtown Los Angeles.

http://www.dentalpipeline.org/pipelineschools/ps_ucla.html

The UCLA Care Extender Internship Program

The Care Extender Program provides opportunities for volunteers to experience health care from a

clinical perspective through patient contact and volunteer involvement. Care Extenders are trained to assist Medical Center staff, who, in turn, are able to share their personal experiences with their volunteers. Care Extenders gain an insiders' understanding of the operations of the hospital — an experience which helps them determine their specific course for future studies.

www.uclahealth.org/body.cfm?id=74

Venice Family Clinic

Venice Family Clinic provides more than 106,000 primary care, specialty care, mental health, dental, and health education visits annually. All services – including diagnosis, treatment, medications, follow-up care, and laboratory tests – are provided free of charge. Particular emphasis is placed on the needs of women, children, the homeless, and those with chronic diseases.

FELLOWSHIPS

Emerging Leaders Program (2 years)

The Emerging Leaders Program (ELP) is a competitive, two-year, paid, federal internship with the Department of Health and Human Services (DHHS). The program provides a unique opportunity to develop analytical and critical leadership skills in one of the largest federal agencies in the nation.

<http://hhsu.learning.hhs.gov/elp/>

Department of Health and Human Services (2 years)

Opportunities for College Graduates are intended to provide individuals who have graduated from an undergraduate or graduate program with an opportunity to integrate their education and experience into full-time employment with the Federal government. The Presidential Management Fellows Program (PMF), the HHS Emerging Leaders Program (PMF), and the Federal Career Intern Program (FCIP) are a few programs for graduates.

<http://www.hhs.gov/careers/internships/index.html>

Office of Minority Health and Health Disparities- Various Fellowships (Varies)

The OMHD supports training opportunities for qualified students at all levels of their education. Many of the opportunities involve working with the Federal Government or the Center for Disease Control (CDC).

<http://www.cdc.gov/omhd/training.htm>

Presidential Management Fellows Program (1 year)

The purpose of the Program is to attract to the Federal service outstanding men and women from a variety of academic disciplines and career paths who have a clear interest in, and commitment to, excellence in the leadership and management of public policies and programs.

<https://www.pmf.opm.gov/Index.aspx>

U.S. Schweitzer Fellows Programs (1 year)

The U.S. Schweitzer Fellows Programs provide community service fellowships for graduate students in health-related professional fields who are dedicated to addressing unmet health needs in local areas.

<http://www.schweitzerfellowship.org>

Princeton in Asia Fellowship Program

PiA offers yearlong, service-oriented fellowships in 18 Asian countries in the fields of education, international development (NGOs), environmental advocacy, journalism, law and business, with a majority of fellows working as English teachers at universities and high schools. PiA fellowships are open to graduates or graduating seniors from all accredited colleges and universities.

<http://piaweb.princeton.edu/for-applicants>

Japan Exchange and Teaching Programme (JET)

Each participant in the JET Programme brings their culture to a local community in Japan, helping the country to gain personal contact with peoples of other countries. Secondly, each JET participant will learn a great deal about Japan, its culture and its people. It is expected that JET participants will share what they learned with their family and friends upon returning home. Program requires relevant international experience. Include transcripts from study abroad and appropriate LOR's.

<http://www.jetprogramme.org/>

RESEARCH

A good way to get involved with research is to network with current and past professors or to get in touch with faculty members within various academic departments. There may be opportunities here at the University of Southern California or the departments may know of grant money available for temporary research positions in your field after graduation.

The Saban Research Institute (affiliated with Children's Hospital, Los Angeles)

The Saban Research Institute is one of the few freestanding research centers in the U.S. where scientific inquiry is combined with clinical care and is devoted exclusively to children.

<http://www.chla.org/saban>

National Science Foundation (NSF)

NSF supports a variety of science, engineering and education research in nearly every field.

<http://www.nsf.gov/news/overviews/>

Weill Cornell/Rockefeller/ Sloan-Kettering Gateways to the Laboratory Program

The program is highlighted by the NIH as one of the top ten summer programs for underrepresented and disadvantaged students. Every year, 15 students embark on a 10 week intensive journey of learning about the challenging and gratifying road of becoming a physician-scientist.

<http://www.weill.cornell.edu/mdphd/summerprogram/>

AAMC Graduate Research, Education, and Training (GREAT) Group (Summer)

The GREAT Group is an AAMC Group established quality education in the biomedical sciences. They have a link to Summer Undergraduate Research Programs (by school) at their website.

<http://www.aamc.org/members/great/summerlinks.htm>

Health Sciences Research Opportunities (Summer)

This website from Swarthmore College provides a list of links to summer research programs available to undergrads and recent grads in the U.S.

<http://www.swarthmore.edu/x8853.xml>

LAC+USC Volunteer Services, Emergency Medicine Volunteer Program (DEM)

The LAC+USC Department of Patient and Volunteer Services Program provides patient focused volunteer opportunities including the DEM program.

<http://www.lacusc.org/Services/Volunteer/Default.aspx>

SERVICE OPPORTUNITIES

AmeriCorps:

1. AmeriCorps State and National (9-12 months)

The largest of AmeriCorps programs, AmeriCorps State and National provides funds to local and national organizations and agencies committed to using national service to address critical community needs in education, public safety, health and the environment. Members serve full- or part-time over a 9- to 12-month period.

2. AmeriCorps NCCC (10 months)

AmeriCorps NCCC (National Civilian Community Corps) is a full-time, team-based residential program for men and women age 18–24. Members live on one of five campuses, located in Denver, Colorado; Sacramento, California; Perry Point, Maryland; Vicksburg, MS; and Vinton, Iowa. AmeriCorps NCCC requires an intensive, 10-month commitment.

3. AmeriCorps VISTA (1 year)

AmeriCorps VISTA is the national service program designed specifically to fight poverty. VISTA members commit to serve full-time for a year at a nonprofit organization or local government agency, working to fight illiteracy, improve health services, create businesses, strengthen communities, and much more.

<http://www.americorps.gov/>
